### **Brekky spots**

If you have not got your name down for the next Bowen Business Information Forum breakfast you better get in quick.

The breakfast is at the Queens Beach Motor Hotel on October 8 from 7.15am.

It will feature presentations by Conquest Mining Ltd Chief operating officer Jeff Innes on the Conquest Mine site at Mount Carlton, and Waratah Coal president and chief executive officer Peter Lynch.

This week already 130 tickets have been sold and the breakfast has not yet been advertised.

There are seats for 190 and the last breakfast was a full house.
